

How to 'Log On' and access your Guardian training

Go to <http://www.aitgb.com.au>

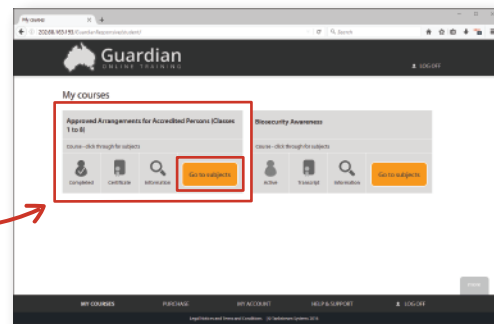

Click on the Log On button.

Enter your username and password and click Log On.

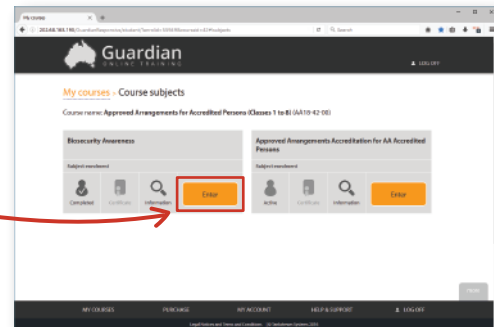

After Logging On to Guardian you will be directed to the My Courses page.

Select a course from the list of available courses and click on the Go to Subjects button.

NOTE: If you can't see the course you need to access contact support: support@tankstream.com

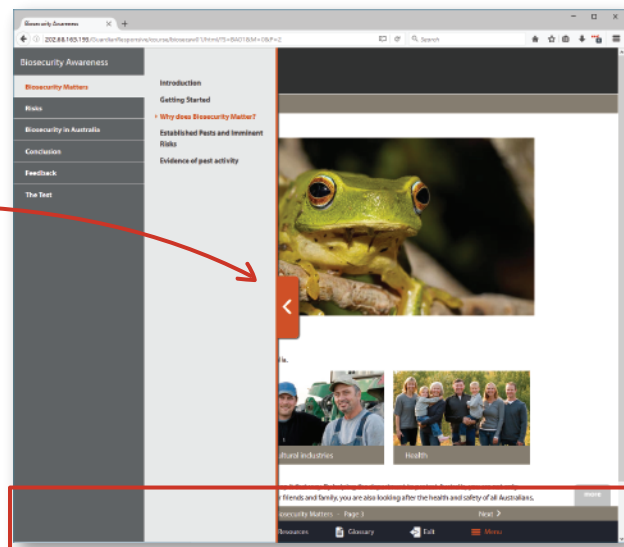

Select a subject from the list of available subjects displayed on the Course Subjects page and click on the Enter button.

This will launch the training course subject.

Course navigation

Click on the arrow button to show the course menu options. Click on a page name to go to that page.

Further navigation options Use the previous and next buttons in the course footer to move through the course content. In this area you will also find links to Course Contents, Help, Resources and the course Glossary. The exit button will take you back to the course subject page and the menu button provides an alternative way to access the course menu.
